

# Remote control with 4 channels and 13 control keys

05-312

4 year  
warranty

With this hand-held transmitter, you control a maximum of 52 circuits, independent of one another, but dependent on the receiver settings. You use the hand-held transmitter for 1-key, 2-key and 4-key functions. The operation status and channel selection is indicated with LEDs. This hand-held transmitter cannot be used in Niko Home Control installations.
