

Threefold faceplate, horizontal 71 mm centre distance, for a double and a sing switch function and one 45x45 function, Niko Rocker alu grey brushed

155-56721

4 year warranty

The Niko Rocker threefold horizontally oriented faceplate clicks onto a double and a sing switch function and one 45x45 function that have been horizontally installed next to each other with a centre distance of 71 mm. The faceplate combines with any available Niko Rocker for single and double switch functions. It consists of an upper frame, light guide and lower frame that are mechanically interconnected. The upper frame is made of brushed aluminium. The lower frame is made of dark grey polycarbonate (PC) + acrylic-styrene-acrylate (ASA). The upper frame is 6 mm thick and the lower frame 2 mm.

Niko recommends a design combination with a finishing set in the following colour: alu grey.

- Exclusive materials
- Authentic vintage design
- Belgian design & craftsmanship
- Design matches Niko Pure portfolio
- Proven Niko quality
- Unique illuminated switch design (by adding feedback LED)
- Designed to fit any available 45 x 45 mm function

Technical data

Threefold faceplate, horizontal 71 mm centre distance, for a double and a sing switch function and one 45x45 function, Niko Rocker alu grey brushed.

- Colour: alu grey (approximately NCS S 2002 - G, RAL 000 80 00)
