

Splashproof double vertical surface-mounting box with one double M20 input with cable gland and one single M20 input with cable gland for two functions, grey

700-84262

4 year warranty

This double vertical surface-mounting box with one double M20 input with cable gland and one single M20 input with cable gland is suitable for two functions. The entire unit is splashproof which makes it extremely well-suited for use in damp areas and in ammonia-rich environments. Finishing colour: grey

Technical data

Splashproof double vertical surface-mounting box with one double M20 input with cable gland and one single M20 input with cable gland for two functions, grey.

- Number of mechanisms: 2
