

WAGO WINSTA® distribution box, DALI relay, P48 DALI-2/BMS

353-70806

4 year warranty

This distribution box enables control of non-dimmable luminaires connected externally to the DALI bus and can be used in combination with Niko P48 DALI-2 master detectors with WAGO WINSTA® cables and connectors and distribution boxes 353-70801, 353-70802 and 353-70803 or in combination with a DALI-2 BMS system. An external connector for non-dimmable 230 V luminaires is included. Each connector is unique, which helps to avoid installation errors and save time.
Finishing colour: black
