

74-583 / 74-588

②

①

- ① Tilslutningsdiagram.
- ② Monteringsvejledning.

**Tekniske specifikationer:**

Spænding .....	5V DC
Effektforbrug .....	1,6 mW
Diode .....	5 V
Prell-tid .....	max. 5 ms
Temperaturområde .....	-20°C til + 45°C
	(Transport: -25°C til +70°C)
Ledningsdimension .....	Ø 0,6 mm
	Yderdiam. på isolation max. 1,4 mm
Sløjfekapacitet .....	max. 2 ledn. af samme str. og type
Ledningsmontage	med special- værktøj eller vedlagte mon- tage-bit
Kapslingsklasse .....	IP 20

**Installation and operating instructions**

- ① Connection diagram.
- ② Mounting instruction.

**Technical Data:**

Voltage .....	5V DC
Power consumption ....	1,6 mW
LED .....	5V
Bounce time .....	max. 5 ms
Ambient temp. ....	- 20°C...+ 45°C
	(Transport: - 25°C...+ 70°C)
Wire .....	Ø 0.6 mm
	The outer diam. of the isolation max. 1.4 mm
Loop capacity .....	max. 2.wires of the same size and type.
Wire mounting .....	with special tools or enclosed mounting-bit
Protection class .....	IP 20

**Montage- und Bedienungsanleitung**

- ① Anschluss-Schema.
- ② Montage-Anleitung.

**Technische Daten:**

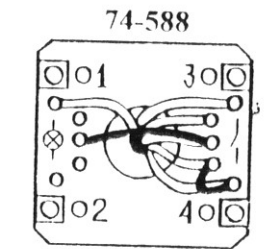

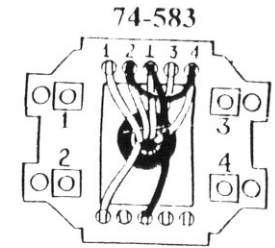

Spannung .....	5V DC
Leistungsaufnahme .....	1,6 mW
Leuchtdiode .....	5V
Prellzeit .....	max. 5 ms
Umgebungstem. ....	- 20°C ...+ 45°C
	(Transport: -25°C...+70°C)
Leitung .....	Ø 0,6
	Aussendurch- messer inkl. Isolierung max. 1,4 mm
Schleifenkapazität .....	max. 2 Leitungen desselben Typs und Grösse.
Leitungseinbau mit .....	Spezialwerkzeug oder beigelegten Montage-Kit
Schutzart .....	IP 20

**Instructions de fonction et montage**

- ① Schema de raccordement
- ② Instruction de montage.

**Dates techniques:**

Voltage .....	5VDC
Consommation .....	1,6 mW
LED .....	5 V
Rebonds .....	max. 5 ms
Temp. ambiente ...	- 20°C...+ 45°C
	(Transport: -25°C...+70°C)
Fils .....	Ø 0,6 mm
	Diam.extérieur (isolation inclus) max. 1,4 mm
Capac. de la boucle .....	max. 2 fils de même type et dimension
Montage avec outil ...	spécial ou kit de montage inclus
Protection .....	IP20

Må kun monteres på jævnt underlag!  
Only for mounting on plane surface!  
Nur für Montage auf ebener Fläche!  
Seulement par montage sur une surface plate!
